LA/A/7/1700/71

In exercise of the powers conferred on him by Rule 117 of the Rules of Procedure and Conduct of Business of Legislative Assembly of Goa, Daman and Diu, the Speaker has ordered publication of the following Bill for general information.

**The Goa, Daman and Diu Village Panchayats Regulation

(Bill No. 23 of 1971)

**A  
BILL**

*further to amend the Goa, Daman and Diu Village  
Panchayats Regulation, 1962.*

Be it enacted by the Legislative Assembly of Goa, Daman and Diu in the Twenty-second Year of the Republic of India as follows:—

**1. Short title and commencement.**—(1) This Act may be called the Goa, Daman and Diu Village Panchayats Regulation (Amendment) Act, 1971.

(2) It shall come into force at once.

**2. Amendment of section 37.**—In section 37 of the Goa, Daman and Diu Village Panchayats Regulation, 1962 (hereinafter referred to as the Regulation), in clause (a), for the word “grant”, the word “grants” shall be substituted.

**3. Amendment of section 39.**—In section 39 of the Regulation, in sub-section (1),—

(a) in clause (1), the word “and” occurring at the end shall be omitted;

(b) clause (n) shall be omitted.

**4. Amendment of Section 74.**—In section 74 of the Regulation, in the opening paragraph, for the words “in the Union territory”, the words “in the said area” shall be substituted.

**Statement of Objects and Reasons**

An amendment to the Section 39 of the Goa, Daman and Diu Village Panchayats Regulation 1962 was proposed with a view to empower the Village Panchayats to levy fees, tax, etc. with the approval of the Government and augment the resources of the Panchayats for improvement of the village. The following clause was added to the Section 39 below sub-clause (m):—

(n) any other taxes, fees or duties the Government may authorise.

The Ministry of Home Affairs have directed that the insertion of clause (n) in Section 39 (1) of the Principal Regulation involves excessive delegation and in that it empowers the executive to permit panchayats to levy taxes, fees, etc. The authority for imposition of any tax is the Legislature itself and hence it is agreed to delete the above clause.

**The Goa, Daman and Diu Corneal Grafting Bill, 1971**

(Bill No. 24 of 1971)

A Bill to make provision with respect to the use of eyes of deceased persons for therapeutic purposes.

Whereas it is expedient to make provision with respect to use of eyes of deceased persons for therapeutic purposes;

it is hereby enacted in the Twenty-second Year of the Republic of India as follows:—

**1. Short title, extent and commencement.**—(1) This Act may be called the Goa, Daman and Diu Corneal Grafting Act, 1971.

(2) It extends to the whole of the Union territory of Goa, Daman and Diu.

(3) It shall come into force on such date and in such area or areas as the Government of Goa, Daman and Diu may, by notification in the Official Gazette, specify in this behalf.

**2. Definitions.**—In this Act, unless the context otherwise requires,—

(a) “approved institution” means a hospital or a medical or teaching institution for therapeutic purposes approved by the Government of Goa, Daman and Diu for the purposes of this Act;

(b) “near relative” means any of the following relatives of the deceased, namely, a wife, husband, parent, son, daughter, brother and sister and includes any other person who is related to the deceased (a) by lineal or collateral consanguinity within three degrees in lineal relationship and six degrees in collateral relationship, or (b) by marriage either with the deceased or with any relative specifically mentioned in this clause or with any other relative with aforesaid degrees.

**Explanation.**—The expressions “lineal and collateral consanguinity” shall have the meanings assigned to them in the Indian Succession Act, 1925.

(c) “registered medical practitioner” means a practitioner practising any system of medicine and recognised as a registered medical practitioner under any law for the time being in force in India.

**3. Removal of eyes of deceased person.**—(1) If any person either in writing at any time, or orally in the presence of two or more witnesses during his last illness, has expressed a request that his eyes be used for therapeutic purposes after his death, the person lawfully in possession of his body after his death may, unless he has reason to believe that the request was subsequently withdrawn, authorise the removal of the eyes from the body for those purposes.

(2) Without prejudice to the provisions of sub-section (1), the persons lawfully in possession of

the body of a deceased person may authorise the removal of the eyes from the body for the purposes aforesaid unless that person has reason to believe—

(a) that the deceased had expressed an objection to his eyes being so dealt with after his death, and had not withdrawn such objection; or

(b) that a near relative of the deceased objects to the deceased eyes being so dealt with.

(3) An authority given under the provisions of this section in respect of any deceased person shall be sufficient warrant for the removal of the eyes from the body and their use for the purposes aforesaid; but no such removal shall be effected except by a registered medical practitioner working in an approved institution who has satisfied himself by a personal examination of the body that life is extinct.

**4. Authority when not to be given.**—The authority for the removal of the eyes shall not be given under section 3 if the person empowered to give such authority has reason to believe that an inquest may be required to be held on the body in accordance with the provisions of any law for the time being in force in that behalf.

**5. No authority for removal of eyes when body is entrusted to person by another only for cremation, etc.**—No authority for the removal of eyes shall be given under section 3 in respect of the body of a deceased person by a person entrusted by another person with the body of a deceased person for the purpose only of its internment or cremation.

**6. Authority to remove eyes, when body is lying in approved institution.**—In the case of a body lying in an approved institution any authority for removal of eyes under this Act may be given on behalf of the person having the control or management of the approved institution by any officer or person designated in that behalf by the first mentioned person.

**7. Saving.**—(1) Nothing in the foregoing provisions of this Act shall be construed as rendering unlawful any dealing with the body or any part thereof, of a deceased person which would have been lawful if this Act had not been passed.

(2) Any authority for the removal of eyes given in accordance with the provisions of this Act shall not be deemed to be in contravention of the provisions of section 297 of the Indian Penal Code.

#### Statement of Objects and Reasons

The Bill seeks to legalise the removal of eyes from the dead bodies for therapeutic purposes. The eyes may be deposited in an Eye Bank and will be used for the benefit of blind persons suffering from corneal diseases by the method of corneal grafting. According to the provision of clause 3 of the Bill, if any person either in writing or in the presence of witnesses during his last illness expresses his desire or requests to the effect that his eyes may be used for therapeutic purposes after his death, the person who is in lawful possession of the body after the death may authorise the removal of the eyes. Further, sub-clause (2) of clause 3 proposes to empower the person in lawful possession of the body to authorise the removal of eyes, if no objection was

raised by the deceased himself, or is raised by any of his near relatives, to such removal. According to clause 4, such authority will not be given if there is reason to believe that an inquest is required on the body. Clause 5 provides that such authority should not be given if the person in whose possession the body is has only been entrusted with the body only for the purpose of cremation. Under clause 6, in the case of a body lying in an approved institution, that is, a hospital, or a medical or teaching institution, such authority may be given by any officer or persons designated in that behalf by the person having the control or the management of the approved hospital.

#### Financial memorandum

To implement the provisions of the proposed Bill, an eye bank is required to be attached to the Medical College. No separate staff will be required as the staff attached to the Medical College can be utilised for this purpose. But some machinery is required to be installed in the said eye bank, the estimate cost of which will be about Rs. 20,000/-.
